

GOING TO A HOSPITAL

Mrs. Annie M. Bradley to Temporarily Leave Jail.

OPERATION IS NECESSARY

Transfer of Prisoner Authorized by Justice Wright.

TESTIMONY OF PHYSICIANS

No Formal Proceedings in Case of

Woman Held Responsible for Death of Arthur Brown.

Mrs. Annie M. Bradley, now confined in the District Jail awaiting trial on an indictment charging her with first degree murder in connection with the death of former Senator Arthur M. Brown of Utah last December, will be removed to Providence Hospital tomorrow to undergo a surgical operation. Permission was today given Warden Harris of the District Jail for the removal of his prisoner.

Justice Wright, who is acting chief justice of the District Supreme Court, sent a letter to the warden in which he authorized Mrs. Bradley's transfer to the hospital, with the injunction, "not forgetting, however, that she is in your custody as warden of the jail."

This caution to the warden means that some female employee of the jail or some trusted friend of the warden will be near Mrs. Bradley during the period of convalescence at Providence Hospital.

Dr. H. L. E. Johnson, who will perform the operation, is reported to have said that it will probably take Mrs. Bradley a month or six weeks to recover from the effects of the operation.

No Formal Proceedings.

No formal court proceedings or application was necessary today in the matter of securing the transfer of Mrs. Bradley from the jail to Providence Hospital. Attorneys Wells, Hoover & Wells, local counsel for Mrs. Bradley, visited Justice Wright in his private office at the city hall, and were shown the communication received by the court from the warden, inclosing a letter of the jail official from Dr. D. K. Shute, physician at that institution, setting forth the imperative need of an operation on Mrs. Bradley and the lack of facilities at the District Jail for such surgical work.

Warden Harris in his letter addressed to the chief justice inquired if it was in accord with the court's view that he might remove the prisoner to Providence Hospital.

Justice Wright decided that no formal court order was necessary, and that a letter to the warden would be sufficient authority for the latter's contemplated action. The court was of opinion that the warden might have transferred the prisoner on his own initiative, as he is the one charged by the law with the custody of persons committed to jail and is only responsible for their appearance at trial.

On Verge of Breakdown.

Mrs. Bradley has been suffering from the trouble, which now appears to be a nervous breakdown, ever since she came to Washington, but out of delicacy did not inform her counsel until recently, when she began to evidence a breakdown. Dr. H. L. E. Johnson was consulted by Mrs. Bradley's attorneys, and it was on his earnest solicitation that a commission was held.

Attorneys Wells, Hoover & Wells today stated that it is not likely that bail will be asked for Mrs. Bradley, as she has not the funds to secure bondsmen.

When she recovers from the effects of the operation she will be returned to the jail to await the beginning of her trial, which is set for October 7, and immediately after the court convenes for the fall term.

HUME RESIGNS CLERKSHIP.

Other Proposed Changes in Property Clerk's Office.

The Commissioners today accepted the resignation of Charles Hume, for several years a clerk in the office of the District property clerk. This position pays \$1,200 per annum, and the resignation is to take effect July 15. Property Clerk Hargrove has recommended W. T. Teepe, a clerk in his office, to succeed Hume.

Other promotions recommended by Mr. Hargrove are: O. L. Kenney, clerk at \$720 to clerk at \$900; Lee Teepe, promoted; R. M. Boardman, clerk at \$800 to clerk at \$720; Vice Kenney, promoted. The promotional appointment of George F. Teachum, a laborer in the executive office at \$360 per annum, is made permanent as a clerk in the property clerk's office at \$900, vice Boardman, promoted.

INCLINED TO BE LENIENT.

Official View of Harriman's Actions at New London Race.

The officials of the government who will pass upon the question of fining Edward H. Harriman for violation of the law at the Harvard-Yale boat race are inclined to omit a fine and pass the matter up without further comment. Lieut. Billard, who made the arrest and reported the matter to the revenue cutter service, is inclined to believe that the violation of the law was a willful one, but this is not the view taken by those higher up.

Tournament at River View.

The annual tournament at River View today drew a large throng from this city and more from neighboring counties in Maryland to witness the riding and the other events of the day. The tournament began at 1 p. m., with ten or twelve horsemen entered, and tonight the crowning of the queen of love and beauty and her three attendant maidens will take place at 8 o'clock. This will be followed by a ball. The queen, St. John's will leave Washington on her last trip at 6:45 o'clock this evening.

Liquor Sale to Girl Charged.

On a charge of selling liquor to a sixteen-year-old girl, Joseph J. Leary, a bartender in Foggy Bottom, was arraigned in the Police Court today. He pleaded not guilty and asked for a jury trial. The trial is thus continued indefinitely.

Elmira Smith, a small colored girl, is the person in question to whom it is alleged liquor was sold. She was seen in the barroom by Police Officer Allen, it is declared, and in his presence the girl told the bartender that she was eighteen years old, therefore a minor, and the liquor was then sold to her after the statement.

Lieut. Col. George R. Cecil, 10th Infantry, has been relieved from further duty with the Porto Rico Provisional Regiment of Infantry and ordered to join his regiment in Alaska.

Gone to His Summer Home.

Postmaster General Meyer left yesterday afternoon at 5:35 o'clock for his summer home at Hamilton, Mass., being summoned on account of the alarming condition of his daughters, who have both been recently operated upon for tonsillitis. Mrs. Meyer is also ill with a similar trouble, and only a fortnight ago Mr. Meyer recovered from an attack of bronchitis and tonsillitis.
